### AN ACCIDENT.

Heater Station, April 7.—Brakeman Orendorf on Conductor Meeker's train, fell between the cars at this place on the Southern Pacific road, and was fatally injured, last night about ten o'clock.

### LOGAN ARRESTED.

Cleveland, Ohio, April 7.—John A. Logan, son of the late senator, who shot and wounded a notorious Italian striker, was arrested and taken before a magistrate at Newcastle, Pennsylvania. He gave a thousand dollar bail for his appearance.

### MURDERED.

St. Petersburg, April 7.—Advice from Bokhara says that the grand vizier of that state has been murdered by a native. The ameer ordered the murderer and his accomplice to be executed and they were buried from a tower 180 feet high.

### CONFERENCE.

London, April 7.—The sugar bounties conference assembled yesterday. Baron Henri D. Worms, who presided, announced the admission of India and the British colonies and said there was a prospect of an agreement being reached with all European powers.

### THE CAUSE.

Chicago, April 7.—A dispatch to the Associated Press from New Hampton, Iowa, says: "The train was thrown from the track by a block of ice which the high water had placed there. The list of the killed given in this dispatch is the same as that given from Charles City."

### VERDICT FOR THE COMPANY.

Salt Lake City, April 7.—The jury returned a verdict in favor of the Pacific railroad company, in the suit brought by F. Ephraim Corri, a traveler, to recover two thousand dollars damages for being ejected from a freight train which the company claimed, did not carry passengers.

### THE UNITED STATES REFUSES.

London, April 7.—A dispatch to the Independent from Madrid says the United States government refuses to accept the proposed mediation of Germany in the dispute with Morocco, and demands suitable indemnity and apologies. It is feared that the United States steamer Enterprise will bombard Tangiers.

### ASSERT AND DENY.

Los Angeles, April 7.—When the trial of Hattie Weinstein was resumed yesterday morning, Col. Wells, her counsel, denied the truth of the rumor that she had attempted suicide. The district attorney stated that the rumor was correct and gave the sheriff as his authority. The taking of testimony was then commenced.

### RELIEVING THE PINKERTONS.

Chicago, April 7.—Yesterday morning a detail of a hundred city police were massed at the Des Plaines street station, and instructed to relieve the Pinkerton guards that have been keeping watch over the property of the Burlington road. The police superseded the Pinkertons at all points on the road in the city.

### ELECTION RETURNS.

Providence, R. I., April 7.—Full returns of the elections show that Taft (republican), for governor, has a majority of 1984, and Lapham, (republican) for Lieutenant-governor, 1755. The suffrage amendment had 573 majority over the necessary three fifths votes. The senate stands: republican 25, democrat six, no election 5. The house stands: republican 54, democrat 10, prohibition 1, no election 7.

### HUNG BY A MOB.

Fort Collins, Colo., April 7.—J. Howe a laborer who had been on a protracted spree, last evening brutally murdered his wife by cutting her throat with a jackknife. He then kicked the body into the street and went to bed to sleep off the liquor. At eight o'clock last night a mob of masked men took possession of the jail, where he had been placed, and soon had Howe swinging to a derrier in the court house yard.

### A TWO-CENT FARE.

Des Moines, Ia., April 7.—The House passed the bill providing for a two-cent per mile passenger fare in the state of Iowa.

### ABYSSINIAN WAR.

Rome, April 7.—Gen. San Marsano, commander of the Abyssinian expedition, telegraphs that Granda and the adjacent plateau have been evacuated by the Abyssinians.

### THE NEW CABINET.

Paris, April 7.—The new cabinet consists of one member of the radical extreme left, five members of the radical left and four moderates. The committee of the chamber of deputies, to which was referred the proposal of the Panama canal company to issue a letter-loan, are equally divided for and against the loan, and therefore will report to the chamber that they are unable to arrive at a conclusion.

### A DOG FIGHT.

Minneapolis, Minn., April 7.—Yesterday afternoon a gamy fight occurred between Montreal Sport, a well known fighting dog, and Maude, who killed the famous Winnipeg Spring about two months ago. The fight was very fierce and lasted for one hour and twenty-seven minutes. At the end of the twelfth scratch Sport gave up and died in a few minutes. The contest was for \$250 a side and the gate money, and about \$1,000 changed hands on the result. Previous to this Sport had never lost a fight.

### KILLED AN OFFICER.

Hempstead, Tex., April 7.—Deputy Sheriff Richard C. Chambers was shot and instantly killed here yesterday afternoon by Stephen W. Alechin, a well-known citizen. The latter wrote a communication in a weekly paper reflecting upon the official conduct of Sheriff McDade and Deputy Chambers. Chambers met Alechin and a quarrel ensued and both opened fire simultaneously. A bullet pierced Chambers' heart and Alechin was fatally wounded and cannot live, it is believed, twenty-four hours.

### BEER MAKERS STRIKE.

Chicago, April 7.—Nearly a thousand men employed in the breweries met and discussed the question of a strike. The matter grows out of a circular recently issued by the employing brewers, in which they stated that they would not employ members of unions. At Ernest Bros' brewery the men objected to the employment of a non-union man and struck. They afterwards reconsidered their action and all were allowed to go to work but the ring leader. This offered the men a new grievance and they struck for good. A general strike was discussed. Wiser counsels prevailed and Ernest Bros. will be visited by a committee.

### A SERIOUS QUESTION.

Berlin, April 7.—The Cologne Gazette publishes the following: Great excitement prevails in domestic circles in Berlin over the possibility of the speedy resignation of Prince Bismarck, because of the proposed marriage of Prince Alexander, of Battenburg, and Princess Victoria, of Prussia. Prince Alexander wishes to accompany Queen Victoria to Berlin as a suitor for the hand of the princess. The bearing of the report is so serious that they can't be passed over until the Bulgarian question shall have been settled by all the powers. The projected marriage can only be judged from a political point of view, and on this account the marriage is an impossibility. It is rumored here that if Prince Bismarck resigns, Count Herbert Bismarck will also resign.

A strong affection has existed between the young couple since Prince Alexander's visit to Berlin in 1885. The late Emperor opposed the match, but it is believed that Emperor Frederick, the empress and Queen Victoria look upon it with favor. Prince Bismarck has had a long conference with the emperor and has also laid before Emperor Frederick a comprehensive statement in writing of the probable consequences of the marriage. The result, according to the latest report, is that the marriage has been postponed for the present, and that Prince Bismarck retains his position.
